Papers as Governor, 1929-32

This collection represents the papers accumulated by Franklin D. Roosevelt during his two terms as Governor, January 1, 1929 to December 31, 1932. These papers are distinct from the official records of the New York State Governor, which are deposited in the New York State Archives, Cultural Education Center, Empire State Plaza, Albany, NY 12230. A microfilm copy of the records is available at the Roosevelt Library.

The papers reflect FDR's interest in the national and state affairs of the Democratic Party, the social and economic problems of the period, business matters, his hobbies, and his philanthropic work.

The collection is divided into four series.
